# **Community Resource & Referral Guide**

2024

Created by R.I.S.E. Advocacy, Inc.  
August, 2024

This Community Resource and Referral Guide guide was developed in response to a growing need for a centralized resource where community members in-need can easily access information about services, organizations, and opportunities available within our area. This non-exhaustive guide serves as a tool designed to empower residents, support local initiatives, and foster a stronger, more connected community.

For questions, concerns, or additional information, we can be reached at
